Welcome Message

Dear Colleagues,

Welcome to the **Second Congress of the Romanian Society of Fetal and Neonatal Medicine.**

The topics will focus on current major issues in fetal and neonatal medicine and on evidence-based developments in their management.

The topic addressed in the oral presentations, case series and interactive panel discussions will be treated from various perspectives in a multidisciplinary manner.

We invite you to join the scientific sessions, workshops and hands-on sessions, to share ideas with our honourable speakers from all over the world and ask questions freely that will allow you all to enrich your knowledge and apply it in your day-to-day practice.

We are glad that we have brought together prestigious international and national lecturers in an atmosphere of high academic standards and we are sure that together we will share an exceptional scientific event.

Thank you for your attendance and we wish you a warm welcome!

Congress Co-Presidents:

Prof. Dr. Daniel Mureşan, Prof. Dr. Simona Vlădăreanu, Prof. Dr. Gabriela Zaharie

Useful Informations

The official languages are **English and Romanian**.

Registration Desk. The scientific secretariat is located within the Grand Hotel Napoca and will have the following schedule:

- **Thursday, April 25th, 07:30 – 19:30**
- **Friday, April 26th, 07:30 – 19:30**
- **Saturday, April 27th, 07:30 – 14:00**

Badges. It is issued for all participants registered at the event and for exhibitors. Access to the conference halls, the exhibition space, coffee breaks and meals will be strictly based on the badge issued at the Registration Desk. Throughout the duration of the event, coffee breaks will be provided near the exhibition area for all registered participants.

Oral Presentation. The materials for the oral presentations (memory stick) must be delivered to the room where the presentation will be held before the start of the session. The event organizer does not assume responsibility for changes in the program due to external or unforeseen circumstances.

Certificate of attendance. It is issued exclusively in electronic format, after completing a feedback questionnaire, sent by email, on Tuesday, April 30th. The event was credited by the Romanian College of Physicians with **16 CME credits**.

Please note that we will quantify the number of hours of attendance by scanning badges at the entrance to the conference halls. Participants must attend a minimum of 50% of the total hours in the scientific program to receive CME points.

Abstract book. All accepted abstracts will be published online on the event website and the volume will be published at the National Library of Romania.

Poster session. The e-poster will be displayed in electronic format in the exhibition area, during the entire congress.

For the participants. The Organizing Committee and PROevents & Conference do not assume responsibility for damage or destruction of any kind due to the participants or their companions, nor for the loss or damage of the luggage or other personal belongings of the participants. Any expenses incurred at the hotel restaurants or at the mini bar in the room will be borne in full by the participants.
